Summer students hired for Trinity: Help us make this a great experience:

Students will be on duty offering guided tours of Trinity from May 14 to August 27. Their wages are covered by grants from the Provincial and Federal Government. The idea is to allow students to have meaningful work experiences and to that end, we are trying to be creative in our approach, and to have a number of projects for the students to undertake when there is no guiding to be done. There is no funding for anything but the wages of the students, so, it would be helpful if we had a few donations to help pay for the incidentals we need to make this work, Some things like supplies from the Dollar store for crafts, and handouts for the visitors, the street treats we'd like to pass out, the photos we need to copy to make up panel boards showing visitors nearby attractions. We already have one donation of \$100.00 to get things going, so if you could add a bit extra to your envelope and mark it Summer Guide program, it would sure help this to be the success we hope it will be. The students are: **Mary Louise Belyea, Lauren C. Davis, Madison O'Connor, Nicole Soper, Hilary Foster and David Craft.**

The Fall Cruise Ship Schedule: Our student tour guides last day at Trinity will be Aug. 27th. There are 53 more cruise ships scheduled to arrive in Saint John from Aug. 28th to Nov. 02nd inclusive. Trinity Church is looking for volunteers for the church on Cruise Ship days. A sign-up sheet has been posted on the wall board over the coffee machine tables for anyone wishing to volunteer or you may contact the Church office at 693-8558, (Joanne) should you have any questions.
